

# 8400 DWT RSV II – Bulk Carrier

## MADE IT SIMPLE BUT SIGNIFICANT AND EFFECTIVE

We designed an 84 m Mini Bulk Carrier which can carry 8500T cargo. The vessel can attain a maximum speed of 9 Knots and is suitable for operations in Inland and Coastal Waters to carry coal and Iron Ore. Customized for specific operations, the vessel has been built, delivered and is one of the largest coastal vessel designs built and operating on Indian waters.
